Comprehensive & Preventative Dentistry.

“Welcome to the dental practice of Dr. Curtis J. Perry. Here, we are committed to helping you maintain an optimum level of cost effective oral health.

Our goal is to provide you with the very best in preventative, restorative and creative cosmetic techniques. Our services are delivered in a relaxed atmosphere, utilizing state of the art equipment, and a gentle touch—all to keep you smiling!”

Curtis J. Perry, DDS

About Dr. Perry ...

Dr. Curtis J. Perry is a second-generation dentist. He grew up in Oakland, California and attended Bishop O'Dowd High School. He earned his Bachelor of Science degree in Biochemistry from California State University-Hayward, and his Doctorate of Dental Surgery from the University of California, San Francisco Medical Center, in 1983.

Dr. Perry stays abreast of all the latest and progressive dental practices and new technologies. He continually participates in specialized training so he can give his patients the very best in oral health care services.

Dr. Perry is an active member of numerous dental societies and organizations, including:

*The American Dental Association
The California Dental Association
The National Dental Society of the Bay Area
The Greater Bay Area Dental Society
The Alameda County Dental Society
American Dental Society of Anesthetologists*

Dr. Perry enjoys a well-rounded lifestyle which includes playing jazz bass guitar, tennis, downhill skiing, and most importantly—spending time with his wife and two children.

State of the art equipment and techniques.

We use state of the art equipment and techniques to provide comprehensive preventative and restorative dental care for healthier teeth and gums.

We work with qualified specialists, highly trained in their fields, to offer you the highest quality dental care.

Cosmetic services to straighten, lighten and brighten.

Our elective cosmetic services will give you ...

- **Teeth whitening/bleaching** to get your teeth their whitest.
- **Veneers** to straighten, and whiten or lengthen worn teeth for the smile you want.
- **White fillings** to replace silver-mercury fillings.
- **Tooth-Colored Crowns, Bridges and Implants** to repair or replace missing teeth.

Relaxed atmosphere. Gentle patient care experience.

We will make every visit as comfortable as possible, with services and patient care amenities that include:

- Oral or Intravenous (IV) Conscious Sedation to sleep through your dental treatment
- Personal audio headphones or television glasses.
- Practice geared towards young adults and adults.
- Digital X-Ray
- Intra-Oral Camera
- Instruments sterilized with latest equipment.

Maintenance for prevention—and the smile of a lifetime!

Our maintenance and preventative recommendations will help insure healthier teeth, gums and give you a smile you won't want to hide!

- Consultations, Tips & Techniques
- Regular Cleaning, Checkups and X-Rays
- Ultrasonic Cleaning
- Educational Pamphlets and Videos
- Excellent Hygiene Staff
- Dental Diet System for weight loss

Gentle High Quality Care.
